Leading the next generation of trailblazers

Are you ambitious for yourself and others?
Do you want to learn how to think, not what to think?
Are you ready to make a difference in the world?

Join us at Mulberry School for Girls Sixth Form where ambitious young women lead the way.

About us

Mulberry School for Girls Sixth Formers are excited, inspired and ready to take up their place as pioneers in the world.

- We are a centre of academic excellence and outstanding teaching and learning, specifically tailored for young women.
- Your voice will be heard, your ideas stimulated, and your passions encouraged.
- You will be challenged to think beyond your subjects and discover what it means to be a global citizen.

‘We are respected, and our ambitions are taken seriously’
Fahima (Year 12)

Our teachers are enthusiastic specialists in their subjects. If you want intellectual challenge in a vibrant and diverse learning community then look no further.

‘I can explore things that I love, not for an exam, but just because I love them’.
Jessica (Year 12)

All students engage in our innovative ‘Steps to Scholars’ programme. You will choose from an exciting range of electives designed to stretch and challenge you beyond the everyday curriculum. You can explore what you love and stand out from the crowd when applying to university.

We are in the heart of London’s East End where there is an extraordinary history of female activism; Mulberry students stand on the shoulders of these women, forging a future with the highest aspirations. No-one can limit our students’ self-belief and determination or question their integrity. If you want to make a stand, speak out, or challenge the status quo, you will be in good company here.

Our graduates are innovators, change-makers and trailblazers.

Your journey starts here.

Supporting your journey to success

Mulberry School for Girls Sixth Form offers everyone a fresh start and no student is left behind. We provide academic mentoring, advanced academic literacy support and empowerment from our specialist women’s education team (Mulberry School for Girls is the only school in the country to have this provision). We have a school counsellor and teach a specific PSHE programme that explores mental health and well-being. There are extensive opportunities for sport and exercise including an on-site fitness suite and access to quality competition across the Mulberry Schools Trust. We offer dedicated facilities for your learning including laptops, three specific study areas and a specialist post-16 library with subscriptions to university texts and journals. If you aspire to excellence, we will help you achieve it.
